**Subject:** Status of RSVPs for Scientific Integrity External Stakeholder meeting

Ryan, John, Mike,

As promised, additional invitations for the external Scientific Integrity stakeholder meeting were sent today. We've received an additional acceptance since my earlier email. Please see below.

- **Invitations for External Stakeholder Meeting**

- 54 invitations were sent out on May 8<sup>th</sup>. As planned, ACC forwarded our invitation to their staff and included it in their weekly membership newsletter.
- 57 invitations have been sent out since May 31<sup>st</sup>.
- RSVPs – we've received 20 accepted and 3 tentative RSVPs. Eight accepted RSVPs are from organizations representing the regulated community.
- Details on the invitations are provided below. A dark green highlight indicates that we have an RSVP to attend, and a light green highlight indicates that we have received a "tentative" response. Please note that the meeting room is limited in size as we don't expect more than 20 organizational representatives to attend in person.

On June 6<sup>th</sup> we invited the following organizations via one or more identified POCs.

Cato Institute  
Competitive Enterprise Institute  
Heritage Foundation  
AEI  
IER

On June 5<sup>th</sup> we invited the following organizations via one or more identified POCs. The American Water Works Association responded that they have a company-wide meeting on that day, but would like the information forwarded to them after the meeting.

American Water Works Association  
American Wood Council  
The Heartland Institute

On June 1<sup>st</sup> we invited the following organizations via one or more identified POCs:

American Forest and Paper Association  
American Gas Association  
American Petroleum Institute  
Association of Public Health Laboratories  
Association of State and Territorial  
Health Officials  
Edison Electric Institute  
Electric Power Research Institute  
Environmental Council of the States  
GE  
ILSI  
Lyondell Basell

On May 31st we invited the following organizations via one or more identified POCs.

ACMA  
Afton Chemical Corporation  
American Beverage Association  
American Chemistry Council  
Conrad Law and Policy Counsell  
Council Producers and Distributors of Ag  
CropLife America

Dow Corning  
Dupont  
ExxonMobil  
FMC Corporation  
Hexion  
ICF  
Monsanto  
Naphthalene Council, Inc.  
Proctor and Gamble  
Public Member ACC SST  
Regnet Environmental Services  
Shell Oil Company  
Summit Tox  
The Dow Chemical Company  
The Johns Hopkins University

On May 8th we invited the following organizations via one or more identified POCs.

American Chemistry Council  
American Association for the  
Advancement of Science  
American Chemical Society  
American Federation of Labor and  
Congress of Industrial Organizations  
American Geophysical Union  
American Lung Association
